

NETWORK upgrades College of Health Sciences

The College of Health Sciences, University of Ilorin, has been reassessed by the International Network of Community-oriented Institutions for Health Sciences: Toward Unity for Health (NETWORK).

In the membership renewal for the 2009-2014 of the NETWORK, not only is the College granted full membership again, the College, based on its rapid development and ground-breaking achievements in scholarship and health service delivery, is upgraded from the bronze to the silver category.

According to a letter addressed to the Provost, College of Health Sciences, University of Ilorin, Prof. Bababode J. Bojuwoye, by the Executive Director and Secretary of the NETWORK, Pauline Vluggen and Ingrid Melters respectively, “with great pleasure we inform you that the outcome of this reassessment procedure was a positive one” and “your institution is now a Silver Full Member”.
