# PHYSICAL PLANNING UNIT

APRIL, 2025

## BACKGROUND INFORMATION OF PHYSICAL PLANNING UNIT

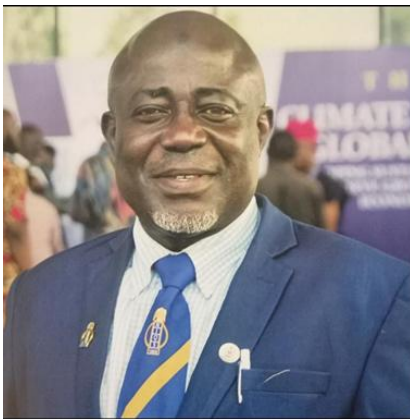

The Physical Planning Unit is a Unit under the Vice Chancellor's office; it was created in 1978 on the recommendation of National University Commission for second generation Universities, it is charged with the responsibility to continuously plans, coordinates, monitors, processes and evaluates the physical implementation of the University master plan.

## STAFFING

The Unit is headed by a director who is responsible to the Vice – Chancellor. The Director is supported by a team of Professionals and Administrative staff. These Professionals includes; Architect, Quantity Surveyor, Engineers, Builder and other technical staff. The Administrative staff includes; an Executive Officer, Secretary, Clerk and Office Assistant.

## INFORMATION OF HEAD OF THE UNIT

The unit is headed by QS. Abdulrahaman Toyin JIMOH, a Quantity Surveyor by profession, a certified Procurement Officer by BPP and a Fellow of the Nigerian Institute of Quantity Surveyor.

**Name:** Abdulrahaman Toyin JIMOH, fniqs

**Office Address:** Room 2, Physical Planning Unit Building, University of Ilorin, [jimoh.at@unilorin.edu.ng](mailto:jimoh.at@unilorin.edu.ng),

### **ACTIVITIES/FUNCTION OF PHYSICAL PLANNING UNIT**

- ❖ The Unit initiates projects starting from the user Department briefing stage and processes same through committees in the University up to governing council. It also processes all records to external funding agencies as may be required.
- ❖ It makes recommendation on appointment of Consultants and Contractors from design stage till projects completion.
- ❖ The Unit prepares necessary documents for submission to the funding or donor organizations. Such as NUC, Tetfund, CBN, NEEDS Assessment to mention but few.
- ❖ The Unit is responsible for ensuring that University projects are processed through the approved Federal Government Due Process Procurement Procedure. It prepares appropriate progress reports at regular intervals on projects.

### **PHYSICAL PLANNING UNIT IS DUTY BOUND TO THE FOLLOWING:**

- i) Planning, designing, coordination and supervising the implementation of Master plan of the University.
- ii) Ensure that all physical development are being guided by the Master plan of the University
- iii) Project designs are efficient, modest and functional
- iv) Closely monitor and supervise to successfully completion of all projects
- v) Uphold the National University Commission guide lines/approval and principle of prudent spending

### **PREPARATION OF NECESSARY DOCUMENTS**

The Physical Planning Unit is saddled with the responsibility of preparing all necessary documents as the need arises, these include:

- i. Drawings; Architectural, Structural, Bills of Quantities, Electrical Services and Mechanical Services drawings.
- ii. Tender Document for tendering purposes

- iii. Draft letter of Award and any other type that may require technical input of the Director (The final letter of award is issued by the Registrar or Secretary to the Tenders board)
